1 Introduction

- 1.1 Risk management and internal control are important aspects of a company's governance, management and operations.
- a) Risk management focuses on identifying threats and opportunities.
 - b) Internal control helps counter threats and takes advantage of opportunities.
- 1.2 Risk management and internal control assist companies in making informed decisions about the level of risk that companies want to take and implement the necessary controls to effectively pursue their objectives.

2 Purpose

The principal objective of the Risk Management Committee ("RMC") is to assist the Board of Directors in their responsibilities to identify, assess and monitor key business risks to safeguard shareholders' investments and Coraza Integrated Technology (the "Company") and its subsidiaries' (the "Group") assets.

3 Membership

- 3.1 The RMC shall be appointed by the Board of Directors of Coraza Integrated Technology ("Board") and should comprise of not less than three (3) directors, a majority of whom are independent.
- 3.2 The RMC members shall have a mixture of expertise and experience, including sufficient understanding of the industries in which the Group operates in order to challenge and facilitate robust discussions on the management of the Group's key risk areas with the ability to anticipate, assess and mitigate potential future risks to the Group.
- 3.3 The RMC in carrying out its tasks under these terms of reference may obtain at the company's cost such external or other independent professional advice as it considers necessary to carry out its duties.
- 3.4 The Chairman of the RMC shall be elected by the RMC members, approved by the Board and should not be the Chairman of the Board.
- 3.5 In the event of any vacancy in the RMC resulting in the number of members being reduced to below three (3), the Board shall within three (3) months appoint such number of new members as may be required to make up the minimum number of three (3) members.
- 3.6 The Board shall review annually the term of office and performance of the RMC and each of its members, who are subject to re-appointment by the Board annually.

4 Authority and Responsibilities

The RMC is authorised by the Board to review and recommend any matters within its Terms of Reference with sufficient resources be provided in undertaking its duties. The RMC shall,

- a) have access to such information and/or appropriate professional advice, both from within the Company and the Group and externally, as it deems necessary or appropriate in discharging its responsibilities at the cost of the Company,
- b) request other Directors, members of Management, counsels, consultants or any employee as applicable, to participate in RMC meetings, as necessary, to carry out the RMC's responsibilities.

4.1 The Chairman of RMC

- a) The Chairman of the RMC is responsible for ensuring the overall effectiveness and independence of the RMC.
- b) The Chairman of the RMC shall report to the Board on any matter that should be brought to the Board's attention and provide recommendations of the RMC that require the Board's approval at the Board Meeting.
- c) The Chairman (or in his absence, an alternative member) of the RMC shall attend the General Meetings of the Company and be prepared to answer questions falling within the scope of the RMC.

4.2 Risk management framework, policies, strategies, risk indicators and risk tolerance levels

- a) The RMC shall provide oversight, direction and counsel to the Group's risk management process which includes the following:
 - i. Establish the Group's Risk Management Framework based on an internationally recognised risk management framework;
 - ii. Conduct an annual review and periodic testing of the Group's risk management framework. This should include any insights it has gained from the review and any changes made to its risk management framework arising from the review;
 - iii. Monitor the Group and subsidiary level risk exposures and management of the significant financial and non-financial risks identified;
 - iv. Review the Group Risk Profile and ensure that significant risks that are outside tolerable ranges are being responded with appropriate actions taken in a timely manner;
 - v. Review the status of the implementation of management action plans in mitigating significant risks identified.
 - vi. Review and recommend the Group's level of risk tolerance and actively identify, assess and monitor key business risks to safeguard shareholders' investments and the Group's assets.
- b) Establish and periodically review the Group risk management guidelines and policies

and ensure implementation of the objectives outlined in the policies and compliance with them.

- c) Recommend for the Board's approval the Group's risk management framework, policies, strategies, key risk indicators and risk tolerance levels, and any proposed changes thereto.
- d) Evaluate the effectiveness of the risk management structure, processes and support system to identify, assess, monitor and manage the Group's key risks.

4.2.1 Major Investment and Project

Review all major investment and project business cases in accordance with established thresholds in the approved Group Limits of Authority, focusing on the following:

- a) Evaluate the risks associated with funding options and costs, and investment returns and making its recommendation to the Board for approval of the investment or project;
- b) Advise the Board on potential risk response strategies that need to be adopted in relation to a decision to proceed with the investment or project;
- c) Monitor the execution of investments or projects and highlighting key risks to the Board as relevant;
- d) Review the effectiveness of risk mitigating actions post approval for major investments and projects based on Group Finance assessments, and reporting the same to the Board;
- e) Review actual financial and operational performance of investments or projects against projected returns (i.e. return on investment, implementation timelines), and reporting the same to the Board; and
- f) Review investment proposals considered significant including:
 - i. New lines of business (defined as businesses outside existing sectors, expansion across industry value chains within current sectors and new franchises); or
 - ii. New territories and countries (defined as expansion of existing businesses into new markets/ territories).

4.3 Internal Controls

The RMC shall review and discuss with Top Management and Internal Auditor, every half yearly:

- a) the key guidelines and policies governing the Group's significant processes for risk assessment and risk management;
- b) the validity of the identified risks and ensuring that appropriate actions are taken to mitigate the risks;

- c) the adequacy of infrastructure, resources and system for risk management, the staff responsible for implementing risk management system perform those duties efficiently and effectively; and
- d) the periodical risk rating report and risk management activities.

4.4 Group's Annual Report

- a) Review the statement on risk management and internal control in the Group's Annual Report to ensure that relevant information as prescribed in the Ace Market Listing Requirements of Bursa Malaysia Securities Berhad ("AMLR") is disclosed.
- b) Disclosure in the annual report should include a discussion on how key risk areas such as finance, operations, regulatory compliance, reputation, cyber security and sustainability were evaluated and the controls in place for the Group to mitigate and manage those risks.

4.5 Term of Reference Review

The RMC shall review and assess the adequacy of this Terms of Reference on a periodic basis determined by the RMC or as and when necessary. Any revision or amendments to the Terms of Reference shall be approved by the Board.
